

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2000

This is to certify that:

Aalco Metals Limited
The Hersham Centre
Hersham Green
Hersham
KT12 4HP
United Kingdom

Holds Certificate No: **RS 00135**

and operates a Quality Management System which complies with the requirements of ISO 9001:2000 for the following scope:

Stockholding and supply of ferrous and non-ferrous metals and their associated alloys including plastic and other non metallic materials, aluminium, stainless steels, nickel alloys, copper, brass and bronze in all semi finished forms such as plate, sheet, strip, coil, bar, extruded and drawn sections, tube, pipe and fittings, plastics and non-metallic materials, with and without lot traceability.

Also available from some locations are special alloys and materials to aerospace standards and specifications.

Material can be processed within the Aalco Metals Limited group to meet customer requirements including bar sawing, guillotining, polishing, and coating.

For and on behalf of BSI:

Head of Compliance & Risk (UK)
